Announcements

Marriage Encounter -

One of the best gifts parents can give their child is a loving, healthy relationship with one another!

Bring the love in your marriage to a higher level during the month of love by attending the February 11-12 Marriage Encounter. Weekends are held at Mt. Olivet Conference and Retreat Center in Farmington. You can register at www.marriages.org. If you have any questions, please call Mary Jackson at 651.454.3238.

High School Summer Trip -

We still have spots open for an amazing opportunity for service, fellowship, and fun for youth here at Lord of Life next summer! Young adults currently in high school are invited to join us and six other area churches on a trip to Idaho Servant Adventures (ISA), July 14th through the 23rd.

Please register by the end of January. You can sign up at lolbaxter.org by clicking on the trip's ad. The cost is estimated to be about \$900, with a \$100 due at the time you register.

Stephen Ministry -

We will be starting a new class for those interested in becoming Stephen Ministers in March. After completing 50 hours of training, you will be paired with an individual who could use someone to walk with them in their grief. You and your care recipient will meet on your schedules as needed.

New Member Conversation -

Our next new member conversation is scheduled for Sunday, Jan. 22, at 4 pm. These informal conversations are intended to answer questions about the church community you are joining here at Lord of Life.

If you would like to attend this conversation, please RSVP by emailing steve@lolbaxter.org, or calling (218) 828-9374..

The Updated LOL Library -

We are very thankful to the volunteers who worked to update and reorganize the Lord of Life Library! Thanks to their efforts, you can now check out books from Room 7 down by the SonShine Room, or from the bookcase in the Commons.

In each area, there is a portion of a shelf labeled "check out books here." Included at those sites are master lists of books shelved there and a booklet with instructions on how to record your checkout selection and how to return it.

Each library area has room for growth. Boxes are provided for your donation of books read and no longer wanted on home shelves. Also, if there is a book you would like to recommend for purchase for the library, please let the library group know.

Fellowship Meal, January 25 -

We invite you to join us for a fellowship supper on Wednesday, January 25, from 5:30 to 6:30 pm. The meal is Tater-Tot Hotdish!

Prayer Chain -

One way to make a big difference in a person's life is to pray for them, that God might be there for them when they need His presence. Sign up with Tyler Jensen in the Main Office if you would like to join the Prayer Chain, which receives email alerts when someone in our Faith Family needs your prayers. All members of the Prayer Chain are required to keep prayer requests confidential.

Funeral Hospitality -

We would love to have you join this team of parishioners who host a meal for the families who are having a funeral here at Lord of Life. We currently have solid leadership for this wonderful group of volunteers, but are looking for more hands to help prepare and serve funeral lunches.

Snow Removal -

We could still use more people to help us clear snow from our sidewalks and emergency exits. This can be done before or after work and we have a network of other volunteers who can help if something comes up, or if there is more snow than one person can handle. Speak to Tyler Jensen to sign up and to learn about accessing the church's snowblower.
