Announcements

Master Class Bible Study -

There's a lot of the Bible we don't get to talk about often enough in Church. Thankfully, Pastor Steve hosts Master Class, a deep-dive Bible Study that goes through the whole Bible, from the scripture itself to the context of the ancient world it was written in.

Master Class meets each Wednesday at 7:30 pm on Zoom.

To register and receive a link to the class, please call the Church Office at (218) 828-9374, or email steve@lolbaxter.org.

Middle School Late Night Out -

Friday, April 14th is Middle School Late Night Out at First Lutheran Church Brainerd, MN! Open to 5th-8th graders cost is \$10 and registration is now open! Please visit our website for more details!

Lord of Life Garage Sale -

Save the date, some money, and gather the stuff in your home that is ready to go to a new home! The Lord of Life Rummage Sale benefiting the youth of our congregation is set for May 12-13. Items can be donated the week prior to the sale. If you are interested in volunteering at this event, please speak with Tim Slinger.

Updated Photos -

We are continuing to work to put together a Church Photo Directory and need your help. If you do not have a picture on file with us, or if it's been a few years since your last one, please get us a new photo of you and your family. You can either send a picture to tyler@lolbaxter.org, or schedule an appointment with Tyler Jensen.

Holy Week Volunteers -

Did you know that from April 2nd to April 9th Lord of Life will be holding 8 services for Passion Sunday, Maundy Thursday, Good Friday, and Easter Sunday? That means we will need a lot of volunteers to pull these services off. If you are willing to help with a service this Holy Week, please email tyler@lolbaxter.org, or call the Church at (218) 828-9374.

Holy Listening Session -

Throughout the season of Lent, you are invited to gather in the sanctuary at 7 pm to experience, together, the power of Holy Listening. Join us for one time or all 5 weeks of lent. The sessions will be led by Teresa Kingsley. We aim to help find a more profound, personal connection to God and learn how to turn off some distractions in our lives. Come and rest in God's Presence here, either in silent prayer, or in conversation with others.

End of Life Planning Class -

After longtime Lord of Life member and Business Administrator, Ken Campbell was diagnosed with terminal cancer and moved into a nursing home, one of his requests to his pastors was this, "Will you teach me how to die?"

Certainly, no one really likes to think about their death, yet one of the greatest gifts we can give ourselves and our loved ones is a conversation about dying - from funeral planning, to visions of how we would want our final days to go if we could choose, to what needs to be personally said and done so that we can die well.

Because it is vulnerable and scary and maybe utterly overwhelming, what if we started to have the conversation together?

Come together on Sunday, March 26th following worship to learn from "Death Doula" (yes - it is a thing!) Lisa Woog. Lisa is International End of Life Doula Association trained and an active member in the association.

Come and gain some resources, tools and courage to talk about your dying in a way that blesses your living.

Pancake Breakfast -

Our next monthly pancake breakfast youth fundraiser is Sunday, April 2nd, after worship. Get delicious pancakes and support our high school youth on their summer mission trip with a free-will offering.
